Parents of Advanced Placement Students:

As a student enrolled in an Advanced Placement (AP) course, your son or daughter is engaged in a demanding and rewarding course of study that can qualify them for college credit. This college credit is earned by demonstrating competency in course content by taking an AP Exam in May. The district expectation is that students will take the appropriate Advanced Placement exam in each course in which they are enrolled. The total Exam cost including fees is \$98.00 per exam. NISD is covering a portion of the exam cost based on the timeliness of your order.

March 9 - April 9	\$0.00	\$98.00
April 10 - April 17	\$0.00 + College Board Late Fee \$55.00	\$153.00

Additionally, College Board provides a fee reduction for students who are qualified for the Federal Free or Reduced Lunch program. In order to supplement the loss of Federal funding provided by the Every Student Succeed Act, NISD and campus are covering a portion of the Free & Reduced exam cost based on the timeliness of your order.

Ordering and Paying for Your Exam:

This year, you will **order and pay** for your exam through Total Registration.

Please note that your registration is not complete until payment is made, and we will NOT be able to take any form of payment here on campus for any AP exam. Total Registration gives you the option of paying by credit card directly on their site, or by check or money order (Total Registration will provide you will more information about how to submit a check or money order for payment during the registration process).

The link for the Total Registration webpage is: www.TotalRegistration.net/AP/444916

It will be important to monitor the deadlines for registration/payment closely to ensure Total Registration receives and processes your payment before any scheduled price increase. If your payment has not been received/processed by the specified deadlines, you will be responsible for paying the additional charges before your exam(s) can be ordered.
