## **HEALTHY LIFESTYLE OPPORTUNITIES**

Byron PTSA's Healthy Lifestyles Month continues with the focus this week on detoxing from social media to make room for in-person interactions. The average American spends 1 hour 40 minutes each day on social media...and that number is surely higher with teenagers! What could you do with all that extra time? Here's a few extra reasons to "Be Anti-Social Media" for the week:

1. Fall asleep faster & sleep longer
2. Lesson anxiety
3. Break social media comparison cycle
4. Conquer FOMO (Fear of Missing Out)
5. Stop feeling so competitive
6. Improve overall mood
7. Stop obsessing over the past
8. Begin living in the moment
9. Inspire physical activity
10. Gain free time = fun time spent elsewhere

We're asking everyone to join us for one day and "Get Off Your Apps" on Wednesday 11/28. Spending less time on social media allows for more free time so we're putting on a high-energy workout after school on Wednesday from 4:15-5 PM here at BNHS. Everyone is welcome - students, staff and parents - in this Camp Gladiator led workout.
