## *A Message from Ron Myers, BNHS Principal*

Good afternoon, Bobcat Families!

I trust that the first day back at school for our students was a good one and that the break provided you and your family with moments of rest and relaxation. As I worked at my duty post this morning, I enjoyed seeing our students returning.

Another purpose for this School Messenger is to let our school community know that I have chosen to retire at the end of this current school year. Byron Nelson High School is a terrific place for students, and I am extremely thankful to have served alongside so many outstanding students and families these past few years.

I will remain at Byron for the rest of the semester and look forward to continuing to support our students as we close out the 21-22 school year.

Go Bobcats!

Ron Myers
